**MOMENTUM** is a two-year generosity initiative that will help us come together and provide resources so we are able to accomplish God's vision that He has for our future. We are calling on the Grace Community Church Family to invest in unprecedented ways to see God work powerfully here in our community, in our corridor and our world.

# MOMENTUM

unleashing a gospel movement

## IN OUR COMMUNITY

Grace Community's mission is to be a church of disciples who make disciples. By giving to our primary ministry, you will continue to help us be effective in fulfilling the Great Commission. This happens through both large group, smaller groups and everything in-between. This work occurs both on and off campus and results in effective impact with the gospel of Jesus Christ.

## IN OUR CORRIDOR

More than a thousand people move into the North Liberty area every year and that number will only increase over time. The second service is maxed out both in terms of seating and parking. It's not uncommon to watch a person drive through the parking lot only to leave because there is no space. We plan to build a facility that matches the size of our calling in the Corridor. We need to move on this to make space or risk limiting our kingdom impact.

## IN OUR WORLD

Our existing vision and outreach already have a huge impact on the Corridor and the world. In addition to our stateside reach, we have key field staff placed around the globe. We're called to continue to foster strategic involvement and kingdom impact. We aspire to send additional personnel in the future and facilitate better engagement for greater effectiveness.
